Whereas, in 2025, more than 230 people were unintentionally shot by a child under 18;

Whereas, by one count, in 2025 in the United States, there were at least 406 mass shooting incidents in which at least 4 people were killed or wounded by gunfire;

Whereas, every year in the United States, more than 4,400 children and teens are killed by gun violence, and more than 17,000 children and teens are shot and wounded;

Whereas more than 15,000 people in the United States under the age of 30 die because of gun violence annually, including Hadiya Pendleton, who, in 2013, was killed at 15 years of age in Chicago, Illinois, while standing in a park;

Whereas, on June 5, 2026, to recognize the 29th birthday of Hadiya Pendleton (born June 2, 1997), people across the United States will recognize “National Gun Violence Awareness Day” and wear orange in tribute to—

- (1) Hadiya Pendleton and other victims of gun violence; and
- (2) the loved ones of those victims; and
